Dear Applicant:

On behalf of the search committee of the College of Engineering, I would like to thank you for submitting your letter of interest and curriculum vitae for consideration as a faculty member.

The University of Michigan is required by Federal law to request and maintain data on applicants for employment. As such, we would appreciate your cooperation in completing and returning the enclosed self-identification form. **This is entirely optional on your part.** The information you provide will be used only in conjunction with the University's Equal Opportunity and Affirmative Action program and will not be used in the employment decision. A self-addressed, stamped postcard is enclosed for your convenience. Alternatively, you may visit our online reporting system for your convenience at: <https://www.engin.umich.edu/form/coeaarinfo>.

Thank you very much for your interest in Michigan Engineering.

Sincerely,

A.W. "Tony" England
