

Dual Enrollment Form

Students who complete college or university coursework while enrolled in high school may potentially receive transfer credit. As part of the dual enrollment approval process, a student is required to have their high school counselor complete and submit this form. The student should have an official transcript directed from the college/university to the following address also.

Completed forms should be mailed to: College of Engineering – Recruitment & Admission
153 Chrysler Center
2121 Bonisteel Boulevard
Ann Arbor, MI 48109-2092
