

## Study Abroad Evaluation

Name of program or foreign institution: \_\_\_\_\_

Country: \_\_\_\_\_

Name: \_\_\_\_\_

Department: \_\_\_\_\_

### **I. Program Information:**

1. When were you there? (Check all that apply and include year.)

Fall\_\_\_  Winter\_\_\_  Spring\_\_\_  Summer\_\_\_

2. Who sponsored the program?

Int'l Programs in Engineering Office (IPE)  Other (Please specify): \_\_\_\_\_  
 LSA Office of Int'l Programs (OIP)

3. **Fees**

What were the following program fees?

Tuition\_\_\_\_\_ Housing\_\_\_\_\_ Meals\_\_\_\_\_ Excursions\_\_\_\_\_ Flight\_\_\_\_\_

How did you arrange your flight?

4. **Language**

Do you have foreign language proficiency?  Yes  No

Was there a foreign language requirement?  Yes  No

If yes, what was the requirement? \_\_\_\_\_

How difficult was it to study in a foreign language? (if applicable)

5. **Housing**

What kind of housing was available? (Check all that apply and CIRCLE your housing choice.)

Dorm  Co-op housing  On-campus apartment  Off-campus apartment  Hotel  Host Family  
 Alone  With other American Students  With other International Students  With Local Students

How was housing arranged?

What were some advantages/disadvantages to your choice?

6. **Orientation**

What type of orientation was offered upon arrival?

Orientation for all new students  Orientation for all Exchange/Study Abroad students

Orientation for students in your program only  No Orientation available

### III. Cultural experience:

1. How did you get involved and interact with the host culture?  
 host institution activities for international students       clubs/sports  
 classes       host family       work       stayed with Americans  
 Other (please specify): \_\_\_\_\_
2. Why did you choose to study abroad?
3. Did you recognize a change in your global perspective? If so, what?
4. Did you have the opportunity to gain some professional experience abroad?  Yes     No  
If so, what?
5. When did you travel during your time abroad (before school, during, after)? Where did you travel? With whom did you travel?
6. Would you encourage other engineering students to study abroad? Why or why not?

**Any additional advice or comments about the study abroad experience? (Please use additional sheets of paper if necessary).**

I permit the International Programs in Engineering Office to reproduce the information from this survey in any form for recruiting study-abroad students.

I permit the International Programs in Engineering Office to provide my email address to prospective study-abroad students.
