

10/28/03

Six Sigma Conference:

- Went very well, gave much needed info about IE's in health care
- Detroit IIE want to be more in contact with us
- SEAN: contact Victor Lloyd (senior management engineer) at Beaumont Hospital at vllloyd@beaumont Hospitals.com they want to come and talk to us about Health care pertaining to industrial engineering

Purdue Tailgate:

- We destroyed PURDUE not only in football, but prior to the game in FLIP CUP
- Reimbursements ~50\$ to Sean for "beverages"

IIE Events

- Rock N Bowl scheduled Nov 6th(we think) at either 8 or 10, not sure yet, but we will know soon (this is with APM and EGL)
- Tech Day Nov 8th, an assembly line related booth for the incoming freshman engineers..ELI will find out more info about what exactly this entails.

IIE SHIRT:

- white with navy
- costs 5.64 for short and 10.84 for long(or close to this) and we are selling for 10 and 14\$ respectively
- Sean schedule a table outside of 1610 for this day, and I was send out times once the table is scheduled (nov 6th?)

UMEC

presidents retreat Sun 23rd...Karla forgot to bring, but will email out later tonight the rest of the UMEC stuff

Treasury Report:

Brad says things are lookin good with money...We have it....

Open Floor:

- Class scheduling panel with juniors/seniors/peer counselors...
- IOE Blueprint....

NEXT MEETING NOV 11th 8-9 Pierpont Commons....
